## Fall 2020 Newsletter

### Coming Soon

Just in time for the season of giving, we are setting up a small retail corner at the kennel. We are partnering with Creations by Jessica and we will also have Plush beds, a children's book, and more.

### Long Weekends & Holidays

As we grow, we would like to encourage our clients to book ahead for long weekends and holidays. We would prefer you to cancel within a reasonable amount of time, rather than miss out on the booking.

### Time for a break!

We love our clients, and often miss your dogs when we haven't seen them in a while. However, we have decided to take a break.

We will be *CLOSED*:

- November 15-22, 2020  
Pick-ups available on the 15th.

## Our Two Year Anniversary

This November we are celebrating our anniversary and we want to send a big **THANK YOU** to all our amazing clients who have helped us get here. It was a slow start, but every one of our clients has been happy with our services, and many of them have become like family, and that was the incentive we needed to continue on. Covid 19 changed the course of this year and stalled the growth we had anticipated. Despite the pandemic, our numbers remain steady, and we are very happy with how the summer played out. We look forward to another great year and hope to see you and your dog soon!

## New Early Drop Off/ Pick Up Fee

With a growing client base and our continued commitment to providing a high standard of care for your dog(s) we will be implementing a few changes.

In order for us to keep our daily kennel routines aligned, we are now asking for our clients to remain within posted drop-off and pick-up hours as follows:

- Monday to Friday 6:30am-9am and 4:30pm-7pm
- Saturday Closed
- Sunday 4:30pm-8pm \*we are extending this by one hour

A simple fee will be implemented if an exception is required.

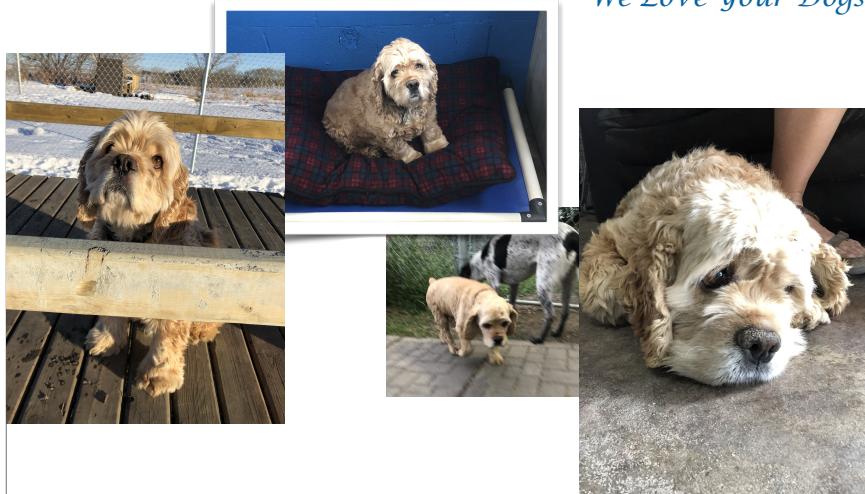

- Mon-Fri & Sun \$25
- Saturday \$50

This fee will not apply to weather-related delays or minor deviations from our hours. Keeping us updated keeps us happy. This fee is applied to the human and not per dog ;)

These changes will allow us to better schedule and organize care for our clients and allow us to maintain a healthy work/life balance.

This new fee will come into effect

**December 1, 2020**

## George

Cocker Spaniel. 11 years 5 months old. Red Deer County. Sister Prim. George became a Cairdeas client on Nov 14, 2018, making him one of our very first clients! He quickly established himself as an Office dog, always keeping us company. He especially likes to follow us around as we put all the dogs to bed, just in case we drop one of the treats. One of the funniest George moments was back when he had a new puppy and a new human baby at home; he arrived that day, walked straight over to his regular kennel, we let him in and he proceeded to sleep for the rest of the day! We Love George
