AUGUST 2022

## A FEW CHANGES

In the Spring we implemented some changes to our business, here is a review of those changes:

- we are currently not taking new clients, this decision is based on our dedication to our current clients and ensuring a quality experience for all dogs, we do have a client waitlist that we review every few months
- we have a few clients with unneutered or spayed dogs, we will be limiting the spots available for these dogs per day, so book early to avoid disappointment
- WAITLIST please make sure to read your confirmation email to ensure your reservation got accepted, if we are full your dog will be placed on the waitlist
- we will be adhering strictly to our posted hours as a way to best serve our clients

## DOG OF THE WEEK

If you follow us on Instagram or Facebook you will have noticed that we are featuring a Dog of the Week! We love your dogs and enjoy the fun of putting these together. We pick one dog who is at the kennel that week and create a post. We have also gotten them printed for display at the kennel!

If you want to stay up-to-date on all the Kennel fun you can follow us on Instagram @cairdeaskennel
